

Solution Offered For Disposal Of Sewage In Region

Professor Don Anderson of the engineering firm, Engineering Science, told the Tahoe City Rotary Club at their dinner meeting last week that if sewage and garbage is continued to be disposed of within the Tahoe basin, the clarity and color of the lake will be irreversibly damaged.

Engineering Science has been employed by the Fleischmann Foundation of Nevada through the Placer County Board of Supervisors to find technical solutions for the removal of all sewage from the north end of Lake Tahoe. The report, which will present in detail their findings complete with preliminary engineering and cost figures for handling 17 1/2 million gallons per day, will be ready for publication in January, however, Professor Anderson was able to present, in a general sort of way, the three possible methods of exportation.

(1) Collect and pump all the sewage to a treatment plant at Kings Beach and then pump the effluent over Brockway summit for ground disposal in the hills behind Martis Valley.

(2) Collect and pump all sewage to Tahoe City and then carry it by gravity along the Truckee river in a large interceptor to a treatment plant in the Martis Valley picking up Alpine Meadows, Squaw Valley, Donner Lake and Truckee along the way. The treated effluent would then be disposed of in the hills.

(3) Collect, treat and dispose in three separate zones. The North Tahoe PUD would treat and pump over Brockway summit. Tahoe City could continue to dispose of its effluent in the hills down the Truckee river and the west shore sewage could be treated and pumped over the hills behind Miller Lake ground infiltration and eventual disposal into the American river water shed.

It was estimated that completion of the system will take more than five years but in the meantime North Tahoe PUD and Tahoe City PUD should be encouraged to extend their collection systems but at all times coordinate their designs with the master plan so as to avoid duplication of expense.

After the engineering report has been reviewed and adopted by Placer County it will be up to the various public agencies in the area to decide which of the three methods is the most practicable.

Resorts Opening As Skiing Is Good

With skiing reported good, most resorts in the area are opening, some on a limited basis, this weekend.

Keith Lummas, manager of the Sugar Bowl, said he will have the Lincoln lift and rope tows in operation by Friday, but the lodge will not be in operation until December 18 as originally planned. Facilities will be operating Thanksgiving through November 29, with the warming areas and cafeteria serving the patrons. The new platform lift is expected to be completed by Thanksgiving.

The Magic Carpet, operated by Bill Cardwell is now operating and will continue throughout the season.

Lummas this year is offering a bargain to young local skiers under 18 with a season ticket for \$25. The Magic Carpet is cooperating by offering a season ticket to this group for \$12.50.

The Squaw Valley facilities operated last weekend and the Papoose lifts are now running each day.

The Soda Springs Corporation is also operating weekends for the present and Alpine Meadows will open on Saturday with the new lift going into operation December 5.

MALCOLM PIERCE IS STILL IN HOSPITAL

Malcolm Pierce, 15, son of Mr. and Mrs. William Dearman of Truckee, who suffered serious injuries resulting in paralysis of his lower body while diving in the channel at Donner Lake last June, is receiving continuing treatment at Rov, Utah.

Malcolm has been in a Reno hospital since the accident and his many friends are hopeful for his recovery.

GARBAGE CANS MUST BE MADE AVAILABLE

Customers of the Truckee Donner Disposal Service this week were warned that garbage cans must be made available to the collectors on the day of the pickup or they will not be emptied.

Harry Stout, the service manager, said if the collector is required to return after the date for the collection, an additional charge will be made. All garbage cans, he said, must be shoveled out and a path made for the collector.

Basketball Squad Starts Practice As Season Open Soon

A good turnout of candidates for the Tahoe Truckee Wolverine basketball squad Monday gave assurance that the high school will present a strong contender in the league this year.

The first game of the season will be played at Stewart on Saturday, December 5, with the first home game slated for Saturday, December 12 when Loyalton will come here. There are 17 games scheduled, through February 26 with a three-game tournament at Del Oro March 4, 5 and 6.

Coach Neil Gates will handle the varsity team with Dave Garrison in charge of the junior varsity. Most of the games start with the preliminary contest at 6:30 p. m.

Three of the contests this season will be played on the Sierra College court, the Wolverines meeting Colusa there on December 11 and January 29 and Live Oak there on February 11.

Aside from Colusa, Live Oak and Stewart, Tahoe Truckee this year will meet Loyalton, Wheatland, Colfax and Lincoln.

A full schedule of the games will be published in the Sierra Sun next week.

Children Ski Classes Offered On Papoose

A special offer for children to learn to ski, especially for those in the Tahoe Lake school who are attending only in the afternoons, is being made by Squaw Valley Land and Livestock Company on their Papoose slope.

Mrs. Wayne Poulsen said special group instructions will be given between 9 a. m. and noon for the children at a rate of \$1 which includes the rope tows and Pomo lift. The offer applies only on school days. A school bus will stop at the Papoose hill to pick the children up and take them to school for the regular afternoon session.

As in the past, Papoose will be utilized later on for the school skiing program.

Mrs. Poulsen said the facilities there are operating every day of the week.

Students Honored By Optimist Club

CRYSTAL BAY—A snow storm Tuesday night did not deter 90 members and guests of the Optimist club from carrying to conclusion the Youth Appreciation week at the meeting of the Crystal Bay Club, when two pupils from each of the Lake Tahoe-Truckee area schools were presented with trophies for their outstanding grades and conduct.

The speaker, William Wright, principal of the George Whittell high school at Zephyr Cove, highly commended the children, their parents, principals and teachers. He was introduced by George Sayre, president of the club.

Those receiving the awards from Tahoe Lake School at Tahoe City are Cheryl Becholdt and Bob Everson; Kings Beach school are Michelle Barker and Sandra Martin; Truckee Elementary School are Patricia Free and Ryan Houlgate; Incline Village School, Debra Smith and Phil Adams.

Due to conflicting board meetings at other schools, Carl Schaff of Incline Village was the only principal able to attend.

TWO BABIES BORN AT HOSPITAL THIS WEEK

Mr. and Mrs. Billy George Burns, Jr., of Kings Beach, welcomed their son, November 14 in Tahoe Forest Hospital. The lad has the same given names as his father and weighed in at 6 pounds, 12 1/2 ounces.

Linda was the name chosen by Mr. and Mrs. Raymond Olivares of Truckee, after her arrival November 15 in Tahoe Forest Hospital. A first weight of 8 pounds, 3 1/2 ounces was registered for the little girl.

Golf Pro—

Orf De Lucca, formerly of the Ponderosa Golf Club is now associated with Haggin Oaks golf course at Sacramento.

Son Is Held After Aged Father Near Death From Blow

A 72-year-old Ashland, Oregon, man is in the hospital in critical condition with a fractured skull and his 51-year-old son is being held on a drunk charge pending further investigation of a fight between the two Saturday morning on Donner Summit.

The victim of the altercation, Charles Epperson, apparently was struck over the head with a wine bottle as the two men sat in their stalled car. The son, Olen C. Epperson, told officers the two were returning from Texas when their car froze up and they stalled in a snow bank.

State Patrolman Edward McCallen was advised of the stalled car with two men inside "apparently dead". He summoned Deputy Sheriff Leo Zander who made the investigation and had the elder man taken to Soda Springs Hotel. There he was examined by Dr. E. O. Hendrickson, who advised that he be removed immediately to the hospital in Truckee.

An examination by Dr. Fenwick Cole revealed the seriousness of the injury and later Epperson was removed to the county hospital and the son was taken into custody.

Airport Suit Ends With Settlement

Howard Fisher, fixed base operator at the Truckee Tahoe Airport for the past year and a half, said Friday that he has instructed his attorneys to drop legal action against the directors, one past director and the manager of the airport following an out-of-court settlement.

Fisher said that his contract with the district was terminated and that an agreement has been reached wherein he will receive payment for the new administration building which he built last year at the airport at a cost of slightly over \$20,000.

The base operator recently filed a suit against the directors and manager of the district making various allegations and seeking cancellation of his contract.

Andrew Creglow, manager for the district, will temporarily take over the base operations and has moved the district office into the administration building at the airport. The move is expected to greatly reduce costs of operation of the field facilities during the coming months.

The airport with Creglow in charge, will be kept open all winter providing easy access for the large number of fliers expected to visit this area during the winter sports season. Snow plows will keep the runways clear and all facilities will be kept in operation.

Fisher left Friday for San Diego where he operates the Fisher Aircraft Company at Lindbergh Field.

TWO ARE INJURED IN MISHAP AT AIRPORT

Two employees of Howard Fisher at the Truckee Tahoe Airport were injured seriously last Wednesday when a pickup truck they were driving ran into a snow-filled ditch at the field and was wrecked.

Taken to the Tahoe Forest Hospital for treatment were Mike Zarkas of San Jose and Richard Carpenter of San Diego. Zarkas suffered a fracture of his chest bone when he was thrown against the steering wheel and Carpenter, who was thrown through the windshield suffered severe head and face lacerations.

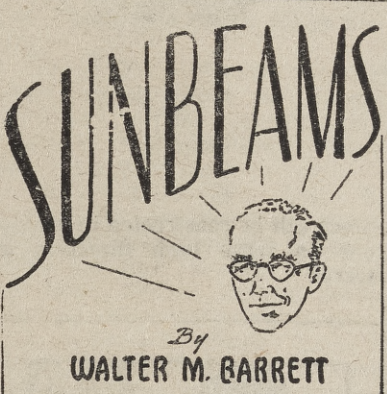

Both were flown to their homes after treatment here.

NEW PAINT LIVENS ALPINE-RIVERSIDE

The Alpine Riverside Hotel, operated by Mr. and Mrs. Jack Ellis has taken on a new look.

Just prior to the storm, a painting crew completed the task of removing the old paint and applying a new, light coat which greatly improves the appearance of the structure. Additional improvements are being made inside to keep the hotel up to a high standard.

Mr. and Mrs. Charles Spillner feted their son, Chuck on November 17, celebrating his birth date.

By
WALTER M. BARRETT

A bouquet this week to all the boys of the Tahoe Truckee football squads, who Saturday concluded one of the most successful seasons ever played here. It was not particularly successful from a standpoint of games won, the 44 being only average, but definitely was outstanding from the way they were played. Clean, hard fighting and good sportsmanship featured each game with every boy doing his utmost, not to stand out as a football hero, but to play his level best for the team. It would be easy to name names of those who stood out in scoring, passing, running and blocking, but this would not tell the full story. We believe that the teamwork and sportsmanship exemplified by each boy was equal, but not superior, to that of another. We credit the coaches for a job well done throughout the season and sincerely hope that future teams, both varsity and junior varsity, show the same fine spirit that made this season so enjoyable.

Subscription TV Will Provide New Service In Region

A service which will bring pleasure of scores of television watchers in the Truckee Donner area is soon to be inaugurated by Tom Kirby, well known local man, who is installing a subscription cable system in the district.

Kirby, who has opened a television sales and service store on the main street in Truckee, said the system will greatly improve stations now being received and will add others, including channels 2, 3, 10 and 13.

Currently, Kirby is installing cables and hopes to have Truckee serviced by the beginning of the new year, with Gateway Park, Meadow Park, Donner Trail and Donner Lake to follow in the near future.

In the meantime, he is offering services for all makes and models of televisions.

DOG TEAMS WILL VIE FOR HONORS IN RACE SCHEDULED NOV. 29

KINGS BEACH—Between 10 and 15 dog teams are expected to take part in a preliminary race on Mount Rose about five miles from Lake Tahoe Sunday, November 29 at 11 a. m.

The race is planned to alert mushers to the winter carnival, sponsored by the North Lake Tahoe Chamber of Commerce in March.

Several outside drivers, including Jerry Riley of Alaska and Doug Bard of Arizona will be on hand to contest in the preliminary race.

The public is invited to witness the races and no charge will be made, according to Stan Rasmusen, one of the local mushers. Gary Gunkel is also expected to participate.

MISSILE PAD AMONG PERMITS TO BUILD

Among the building permits issued in this area last month was one to the Sylvania Corporation for a missile pad on the Brockway shortcut just south of Truckee to cost \$22,000. This is a testing station, similar to the one operated by the concern on Donner Summit last year.

Another was for the Burney Lumber Company for storage on old Highway 40, \$20,000 and storage and loader, \$10. Donner Summit Tramways is building an addition on old Highway 40 to cost \$22,000.

Other permits were for dwellings, repairs and miscellaneous projects.

HEALTH CLINIC

The regular Nevada County Health Department immunization clinic will be held on Friday, November 20, at the new Nevada County Government Center in the Gateway Park area. The hours will be from 12 noon to 1 p. m. The Sabin vaccine will be available.

Wolverines Defy Weather To Win Del Oro Contest

The snow storm which battered the Sierra last week and resulted in an announcement by Coach Guy Wilson that the Wolverine-Del Oro football game was cancelled, failed to stop the youthful contestants and in a contest played at Del Oro Saturday afternoon, the Wolverines defeated the hometowners 31 to 6. The game was played in near freezing weather at Loomis.

This game definitely ended the season with the Tahoe Truckee team winding up with three wins and three losses.

Playing his usual brilliant game, Quarterback Greg Moore scored two touchdowns in the first half on runs of one and 24 yards.

Warren Jay and Dave Douglas ran back two interceptions for the Wolverines, Jay sprinting for 50 yards and Douglas for 36.

Tom McKinnon scored the only TD for Del Oro on a 49-yard run in the second quarter.

Del Oro Junior Varsity won its 18th straight victory by defeating the Wolverine JV's 21 to 7.

Tahoe Ski Club To Hold Annual Feed

TAHOE CITY—The annual membership meeting of the Lake Tahoe Ski Club will be held Friday, November 20 at 7 p. m. in the Hofbrau at Squaw Valley and a special invitation is extended to all members, especially new ones.

Oswaldo Ancinas, the talented ski coach, will entertain with his guitar and with songs during the cocktail hour which will precede the dinner. Dance music will also be provided.

Wayne Hawkins has replaced Larry Lindsey as club president, Lindsey having accepted a position at Hemet which required him leaving Tahoe.

Sue McCafferty is chairman of the arrangements committee for the dinner and other committee personnel includes Elaine Kahn, Margaret Birmingham, Clyde Nance, Dave Stollery, Ellen Attard, Tillie Silva and Mary Lou Hill. Hostesses will be Chic McBride, Dell Parker, Judy Thatcher, Connie Cole, Dottie Caulkett, Joan Hauserman and Sue Dwyer.

UNUSUALLY CHILLY WEATHER FOLLOWS STORMS IN SIERRA

Following the storms early this month during which a total of 34 inches of snow were recorded at the Truckee station of the Tahoe National Forest, cold weather dominated the weather picture and the temperature Wednesday morning dropped to a record low of 2 degrees below zero.

The warmest temperature recorded up until yesterday was a cool 30 degrees last Friday.

Precipitation for the month of November totals 4.15 inches, compared to a normal for the entire month of 3.39 inches, according to the forest service. Seasonal precipitation now totals 4.60 inches, compared to a normal of 3.89, with the season starting September 1.

There were 15 inches of snow on the ground here Tuesday, with up to four feet in the higher elevations where ski areas were operating full blast for the thousands of winter sport enthusiasts who flocked to the region last weekend.

NEW BUICK SALES BY PONDEROSA GARAGE

Frank Snyder of Ponderosa Buick reports that new Buick sales are increasing with orders coming in for Christmas deliveries.

During the past few days Robert Richier of Auburn took delivery of a new Special DeLuxe and Dave Hansen of Truckee a new Skylark Sports Coupe.

THANKSGIVING RECESS AT SIERRA COLLEGE

Sierra College students will have a two-day holiday on Thanksgiving. Classes will be dismissed both Thanksgiving day, November 26, and Friday, November 27. Registrar Martin Taylor reported. Night as well as day classes will not be held the two days.

Huge Sign Taken From Squaw Was Federal Property

A federal investigator was here last week seeking clues which might lead to the arrest of the thieves who stole the huge sign designating the site of the 8th Winter Olympic Games at Squaw Valley.

The sign, which was 8 feet by 12 feet, had been carefully removed from its standards, loaded on a dual wheeled truck and hauled away. As near as can be determined it was stolen during the night of October 24.

George Steed, district forest ranger, said the theft is a federal offense since it was government property and the value of \$800 places it in the grand larceny category.

"We are very anxious to recover the property," Steed declared, "and will greatly appreciate any information which might lead to its recovery."

School Carnival Is Set For Saturday

The gymnasium at the Tahoe Truckee High School will be the setting Saturday for the school's outstanding event of the season—the annual carnival.

The affair is sponsored by the student body to raise funds for the year book and each of the four classes, plus other organizations at the school will participate and 15 booths will be manned to provide entertainment for the public. No charge is made for admission and everyone will find fun provided in the variety of contests.

The affair will start at 7 and close at 10 p. m.

Faculty members Guy Wilson and Bert Greene will supervise the program.

Squaw Theater To Open This Weekend

SQUAW VALLEY—With the skiing season well under way, manager William Tamblin of the Squaw Valley Theater announced this week that he will present two shows nightly Friday and Saturday this week.

Featured Friday will be Beauty and the Beast and Walt Disney's Yellowstone Cubs. On Saturday's bill will be Jules Verne's 20,000 Leagues Under the Sea, starring Kirk Douglas and James Mason.

Next week, Tamblin said, he will present programs Friday, Saturday and Sunday following Thanksgiving, and plans to continue shows regularly during the winter.

RIVER RANCH TO BE OPENED ON SUNDAY

The River Ranch, formerly Deer Park Lodge, on the Truckee River 3 1/2 miles north of Tahoe City will be open for business Sunday, it was announced by Gardner Mein, who purchased the property last summer. The 17 rooms, dining room and bar on the "Rive Gauche" have been remodeled and rebuilt.

The resort is being managed by Norm and Sue McKinnon. Breakfast and dinners will be served the year around and in addition guests will be provided for storage of ski equipment and transportation to both nearby Alpine Meadow and Squaw Valley.

ON BREAD ROUTE

Harold (Fud) Brown, who had been employed at the Z Market here for the past several years, has resigned his position to accept one as distributor for a bread company at North Lake Tahoe. The former distributor, Craig Robinson left recently to accept a position at Incline Village.

TAHOE WEATHER

Sunny but cold weather prevailed on Tuesday in the mountains, with a high of 40 degrees for the week being recorded and a low of ten degrees on Monday at Tahoe City. The Lake Tahoe level was 6224.95 with 25 cubic feet per second outflow, according to the records of Daryl De Walt.

Keelings From Valley—

Mr. and Mrs. John Keeling of Danville have been making frequent visits to the mountains, especially enjoying the early snow.

Summit Freeway Scheduled To Be Opened Saturday

Barring unforeseen difficulties, the freeway over Donner Summit will be opened this weekend.

Frank Fox, district superintendent for the division of highways, said yesterday that the snow has been removed from the 10 1/2 mile stretch and that crews are busy installing snow stakes, removing piles of rocks which were left along the road by the contractors in preparing the shoulders and which must be hauled away.

The state sign crew has been busy this week putting up the required markers.

The state crews took over this week following a conference with the contractors Friday and Monday during which it was decided to make every effort to clear the stretch for use this winter. R. A. Westbrook, representing the contractors, met with District Engineer W. L. Warren and Assistant Engineer R. L. Gillis where an agreement was worked out for the responsibility for the remaining work, such as correction of erosion of unpaved ditches.

Both Governor Edmund G. Brown and State Senator Paul J. Lunardi urged the state to take over and complete the job to prevent further delays in opening the important section.

With traffic permitted over the new four lanes Interstate 80 will be completed from San Francisco to the Nevada state line.

H. G. Loehr, chairman of the Nevada County Board of Supervisors, said that for the time being at least and probably during the winter, the state will maintain the old Highway 40 along Donner Lake from the interchange near the monument to the interchange above Donner on the freeway. State crews will also keep the old road from Donner Summit Lodge to the summit plowed, Loehr said.

It is believed that no effort will be made to keep the present route from Donner Lake gate to the summit open if the new freeway is readied as proposed this week.

Liaison Officer At Truckee Assured

There is every indication that a liaison officer will be installed in the new County Government Building in Truckee before January 1.

The board of supervisors Tuesday adopted a minute order accepting the recommendation of the personnel department that the officer be employed by the board at a salary of \$450 a month. The position is exempt from classification which effect most other county employees and will be selected by the board.

Before assuming the work here as a representative of other county officers in Nevada City, the liaison officer will undergo a training period at the court house to acquaint himself with the required duties.

SKIIS, BLANKETS ARE TAKEN IN BURGLARY

Sheriff's deputies were called to investigate the burglary of the summer home of Portia Wagent of Oakland on Castle Creek Sunday.

They found that a shutter had been broken off a window to permit entry and three pairs of skis, blankets, typewriter, books, records and a camera, valued at approximately \$400 had been taken.

In another burglary last week, Manzo's Alpine Lounge just west of Truckee was entered and \$60 worth of liquor stolen. Money which had been left in the bar was not molested, Sergeant Roy Waters reported.

DONNIE AUSTIN FIRST SKI CASUALTY IN AREA

To Donnie Austin, 14, son of Mr. and Mrs. Frank Austin of Tahoe Vista, goes the dubious honor of being the first patient in the Tahoe Forest Hospital to be treated for ski injuries.

Donnie was admitted last Saturday after he broke both bones in his left leg. Strange enough, he never got to a ski hill, the break occurring while he was practicing jumping in his back yard.

The young victim is on crutches but expects to be back on the ski hills by Christmas.

CHARGES DROPPED IN PARADISE ACCIDENT

The civil aeronautics board said it has decided to drop enforcement proceedings against Paradise Airlines, the now defunct operator of a plane which crashed March 1st near Lake Tahoe, killing all 85 aboard.

The CAB said Paradise no longer is operating and has no certificate from the federal aviation agency. The board said "No useful purpose would be served by further prosecution."

The opening of pheasant season will beckon a good number of local hunters. Family tradition will bring Jay, Beccy, Jayne and Bro Shontz to Sutter Basin in Yolo County for their annual fling at the sport. Another group, comprised of Bob and Vi Pomin, Carl and Elsie Becholdt, Bete and Duane Perata, Barbara and Martin Spitsen and Dick and Joanne Lambert will be headquartered at Marysville while hunting near Grimes. Jack Starratt won't be able to observe opening day but will hunt later in the week in the Lincoln area. Harvey Hopkins and son Hobby will try out their luck near Yuba City.

A wedding of local interest will

This artist's sketch shows a typical rest area of the type being constructed along Interstate routes. This particular sketch portrays construction now taking place on Interstate 5 at San Luis in Merced County, 10 miles west of Los Banos. As on all major highways, these

areas will be constructed in pairs—one to serve each direction of travel.

occur in San Francisco Saturday, November 21st at 7 p. m. when Ron Gramanz of Sylmar will claim Sybil Gill of North Hollywood as his bride. The ceremony will take place at the First Presbyterian Church in San Francisco and acting as best man will be the groom's brother, Brent Gramanz of Tahoe Park.

Ron was formerly associated with the Viking Village in Tahoe City.

Happy November 16th birthday to Mabel Nielsen of Tahoe City.

Forty junior racers of the Lake Tahoe Ski Club are participating in a junior racing training program under the direction of Pepi Greilmeister, Osvaldo Ancinas and Bud

Jones. The team spent several weekends in pre-season training and on the slopes for the first time last weekend at Squaw Valley.

Racers participating in the program are Cheryl Becholdt, Mike Becholdt, Jim Caulkett, Jon Caulkett, Greg Dorland, Deborah Dorland, Jim Foeger, Rod Hill, Greg Hill, Diana Ihlenfeldt, Doris Ihlenfeldt, Patti Tilton, Peggy Tilton, Gary Jones, Greg Jones, Vicki Jones, Jim Kastrup, Bruce Lasky, Kathy Lasky, Stephen Lasky, Doug Lindsey, Larry Lindsey, Katie Long, James Long, Danny Mooney, Greg Moore, Bill Nagle, Gary Nagle, Jim Nagle, Bill Niday, Dick Nielsen, Marcine Patterson, Gary Phillips, Erick Poulsen, Sandra Poulsen, Lance Poulsen, Mark Reeser, Mark Rivard and Cynthia Streepey.

Members of the varsity team will be chosen after a training camp to be held in December.

The Lucky 13 games party of the Tahoe Lake PTA, scheduled to be held on November 13, was postponed to a later date according to Chairman Don Kastrup.

Happy November 20th birthday to Mrs. Stella Watson who is wintering in Greenbrae.

Situated in their new home in Comstock Acres are Dr. and Mrs. Marvin Schwartz and family who formerly lived in Kings Beach.

Mr. and Mrs. Chris Burner of Squaw Valley have received an interesting account of a trip from their son, Grant, who is a radio-man third class with the U. S. Navy stationed in Morocco.

Grant recently secured leave and traveled through Spain, England, Italy, France, Austria and Germany and he spent six days at a LDS retreat in Berchtesgaden, Germany. The retreat was held at Hotel General Walker which is formerly the site of Adolph Hitler's villa which has been converted to a center to be used as retreats for all religious groups of servicemen. Berchtesgaden is located in southeastern Ba-

WINNER, AAA TRAFFIC SAFETY
POSTER CONTEST

varia about ten miles south of Salzburg, Austria, and is popular both as a summer and winter resort. While there Grant participated in skiing activities.

During part of his trip, Grant was a guest of Heintz Weichselbauner and his mother.

The Tahoe Squaws postponed their November meeting, which was to be held on November 11th at the residence of Elaine Kahn in the Highlands, to November 18th at the same place.

Bernard and Kay Mendonca of Tahoe City noted a November 17th wedding anniversary.

Just returned from a vacation spent in southern California is Mrs. Larry Lindsey of Comstock Acres. Rosemary vacationed with husband Larry in Hemet, Westwood and Redondo Beach for two weeks before Larry reported to his new job in Hemet on November 16th as president of the Sierra Dawn Retirement Estates. Rosemary and two sons, Larry and Doug will winter in Tahoe City before joining Lindsey in Hemet.

Weekending in Sacramento this weekend will be Mrs. Harvey Hopkins and daughter Harlene. They will visit with Pat Hopkins while the "men" are pheasant hunting.

John and Barbara Otto and daughter Lynda and houseguest at Keith Tochterman of Sacramento spent last weekend in Tahoe City.

A guest last week at the Pineland home of Mr. and Mrs. Bob Scoville was Mrs. Scoville's mother, Mrs. Edna Oxford of Westwood.

Mimi Kimball, daughter of Ron and Ivy Kimball of Tahoe Park, celebrated a November 13th birthday.

Vacationing this week in southern California are Jim and Sue McCafferty of Lake of the Sky.

Steve and Wilma Korich of the Highlands will spend Thanksgiving in Sacramento.

Mr. and Mrs. Jack Starratt and daughters Anne and Sally of Tahoe City will spend Thanksgiving in Sacramento visiting with the Richard Lee, Jr., family.

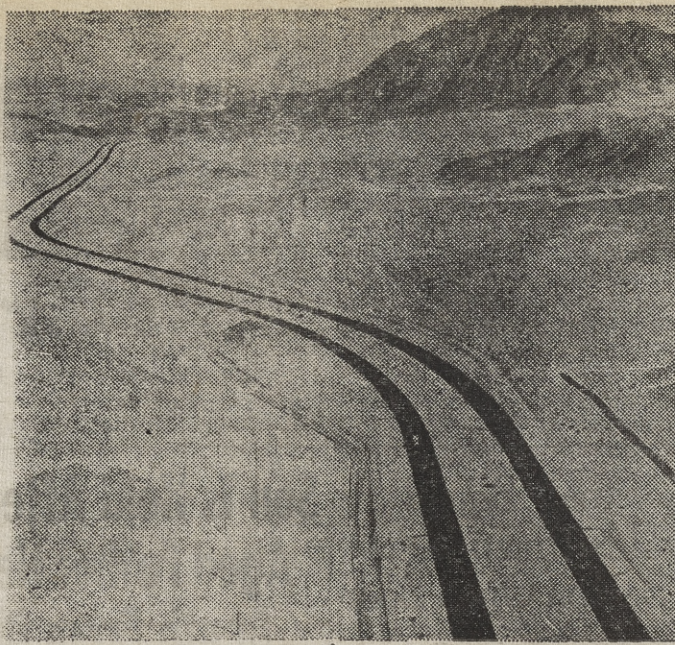

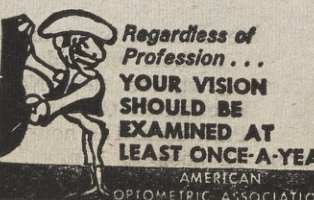

New residents of Dollar Point are Herb and Phyllis Beck and children Cynthia and Blair. The Beck's are former Squaw Valley residents.

November 18th marked the birthday of Mrs. Bill Mullen of Squaw Valley.

Mrs. Harvey Hopkins will be hostess to the Soroptimist club when they will hold a dinner meeting at their Highlands home next Tuesday evening.

Mr. and Mrs. Fred Onorato of Squaw Valley spent several days this week visiting in San Francisco.

The Pit River in Shasta County was named for the pits dug to trap animals by the Achomawi Indians who inhabited the area.

This four-lane freeway section of Interstate 15, in the Mojave Desert about midway between Barstow and the Nevada State line, is part of a recently completed 17-mile project which carries California's total of

full freeways and expressways between Los Angeles and the Nevada line on Interstate 10 and 15 is now under construction east of this project, and will be completed early in 1956. View is eastward.

Cindy Lane, Reno and Palmer 4 at Club

CRYSTAL BAY—The new Reno and Palmer Four with Cindy Lane holds forth on the stage of the Topaz Room at Nevada Lodge, North Lake Tahoe's largest year-round resort-hotel-casino, through December 7.

Statuesque, lithesome Cindy Lane adds long-to-be-remembered vocalizing to her impressive comedy performance. Her quick wit and barbed retorts are a surprise when first you see this tall slender blonde.

Reno and Palmer Four with

TAHOE TRUCKEE SCHOOL NEWS

TRUCKEE ELEMENTARY

Second Grade—Mrs. Scott: We had a spelling test this week. Only Gene Gini, David Copeland, Steven Price, Raoul Kydd, Bill Franceschini and Anthony Caruso got 100.

Mark Walker, Anthony Caruso and Steven Price gave good book reports.

Sixth Grade—Mr. Stever: We were sorry to see Gary Paddock leave. Also, we welcome Galee Wisenback, Susan Fish, Benny Garcia and Larry Mullins who came from Miss Conant's class.

Patty Westbrook, Bruce Fish and Charles Denney received excellent grade in spelling.

Class officers this term are: Chairman, Patty Westbrook; co-chairman, Donna Horman; secretary, Debbie Jellin.

Our art project for the week was diverging poles with Susan Fish, Connie Bohner, Debra Eckerman and Charles Denney doing neat work.

For the quarter, Charles Denney, Debra Eckerman, Peggy White, Su-

san Fish, Donna Horman, Gail Wisenback and Patty Westbrook were outstanding in citizenship.

Perfect attendance records, David Greene, Charles Denney, Stanley Ragan, Sharon Ford, Connie Bohner, Donna Horman and Patty Westbrook.

The five best scholars of the room during the quarter were Patty Westbrook, Debra Eckerman, Donna Horman, Charles Denney and Sharon Ford.

Eighth Grade—Mrs. Drummond: All students that received all A's and B's on the first report card are: Patricia Free, Mary Brooks and Lewis Denney.

Those who lacked being honor students by only one grade are: Bruce Leamon, Gloria Purdy and Ryan Houlgate.

Patricia Free and Ryan Houlgate attended a dinner given by the Optimist Club at Crystal Bay in honor of outstanding 8th grade students.

KINGS BEACH SCHOOL

First Grade—Mrs. Corbin: We are having a unit on Indians and Pilgrims. We are comparing their homes and ways of living to ours.

Fifteen students made 100 per cent on the Wednesday trial test in spelling.

Second and Third Grade—Mrs. McDow: The third grade class is

working on handwriting. The pupils with very nice papers this week are Laura Searcy, Debbie Spillers and Hope Kunzer.

The second grade pupils with neat handwriting are Doug Reynolds, Susan Reynolds and Kit Briscoe.

Third Grade—Mrs. Thomas: The following students received A's on their spelling test this week: Sharon Briscoe, Katie Felte, Teresa Ferrari, Suzanne Fuhrman, Pastora Morales, Marilyn Newlun, John McDow, Billy Larson, Craig Holmstrand, Kenneth Gonzales, Joel Cerunak, Chris Burgwin, Steve Brehler, Dennis Brooks and Stuart Taylor.

Teresa Ferrari brought a record about multiplication and Lorene Hamilton brought a record about the ears. Our class enjoyed listening to both of these records.

Fourth Grade—Mrs. Wing: In our weekly combination spelling and penmanship test the following boys and girls received 100: Lisa Faulkner, Debbie Fellows, Davey Ferrari, Mike Kornazewich, Dorothy McDonald, Chuck McDow, Mark Price, Mike Rich, Debbie Sipes, Suzanne Thompson, Kristine Weber, Lee Wentz and Dorothy Taylor.

This week Jerrie Douglass plans

to move to Jackpot, Nevada, to join her father who moved there several weeks ago.

For a science experiment Dorothy McDonald, Davey Ferrari and Mike Kkornazewich planted lima beans.

Fourth and Fifth Grade Combination—Mrs. Hendrix: Current events were given this week by Gary Frye, Anne Gorrindo, Mike Hiatt, Mike Maximer, Russell Potts, Carlitta Sumpter (4th grade) and Debbie Brockelsby, Terri Burghardt, Becky Dunham, Ronnie Dunham, Patsy Kaspar, Dennis Luescher, Guy Searcy and Mary Lou Sedgwick (5th grade).

On last week's spelling test the only A's were earned by Jack Van Loan and Guy Searcy.

The fifth grade had a science test about exploring solids, liquids and gases. Randy Austin received an A. Terri Burghardt, Becky Dunham, Patsy Kaspar and Bob Sikorski also did well.

During the preceding week excellent experiments were presented by Terri Burghardt, Debbie Brockelsby, Dennis Luescher and Bob Sikorski.

The fourth grade had a three page open book health test. Gary Felte completed the best paper.

Fifth Grade—Mrs. Ferrari: The

following have worked on a science bulletin board: Calvin Felte, Jeff Liddle, David Briscoe, Doug Henson, Gary Murphy, Mitchell Westlund and Mike Weiss.

Robyn Drew, Kirsten Rutledge and Carol Achziger prepared a display and reported on crude oil products.

Doug Henson prepared a display of steel products.

Debbie Bell had the best overall average for the first report period as well as a perfect citizenship grade.

Sixth Grade—Miss Loop: Those people who earned A's on their trial spelling test did not have to take the final test on Friday. Last week

those who received a perfect score are Jan Achziger, Linda Anderson, Diana Finigan, Cyra Gerasek, Vickie Hamilton, Susan Leon, Sandra (Continued on Page 4)

TAHOE TRUCKEE
SCHOOL NEWS

(Continued from Page 3)

Libby, Paul McDow, Martha Pope, Debbie Rich, Doug Ruhs and Bonnie Weber.

This week is the last week of school for one of our class mates. Eddie Douglass is moving with his family to Idaho.

Lynann Fugazi has been home sick this week; we will be glad to see her back.

Eighth Grade—Mrs. Schultz Outstanding notebooks containing all this geography work for the first quarter were turned in by Greg Pyle, Sandy Martin, Susan Hawkins, Steve Williams, Mickie Barker, Shari Bell, Cathy McIntire and Gregg Gunkel.

TAHOE LAKE SCHOOL

Kindergarten—Mrs. Henke: Aaron Noble, Bacci Perate, Melvin Haas and Kelly Martin joined our counting group this week.

Rick Schwartz brought a Granddaddy long legs for science study.

First Grade—Miss Bean: Tahoe Lake first graders are having a good time with the new math program. The following students made stars on their perfect math papers this week: Joey Champion, Shirl Jones, Jerry Stueven, Chris Collins, Jennifer Nichols, Cindy Orr.

In a special 100 number test five students finished perfectly, these were Shirl Jones, Kathy Hicks, Anna Marie Chaput, Tim Hauserman and Melody Lane.

First Grade—Mrs. Kelly: Our new helpers have been chosen for the next two weeks. They are: Chris Hodgkins, president; Joni Shaver, secretary; line leaders, Ronald Quidley, Lorene Davis, Liz Rogers, Paul Baker, Suzie Nickelson, Rosey Cosby, David Butterfield and Kim Pier; Brad Dutton, library; Gennie O'Brien, housekeeper, Tim May, Larry DeWalt and Kjell Henrikson.

Some fine work papers were turned in by Cindy Hoff, Cheryl Norwall, John VonNolde, Paul Baker, Ronald Quidley and Liz Rogers.

Second Grade—Mrs. Read: Perfect spellers this week were Mark Mercer, Blain Hendrix, Karen Duttweiler, Deborah Grahm, Kathy Rogers, Judy Jankowsky, Timmy Tilton, Vicki Austin, Leslie Cordone and Deano Jaynes.

President last week was Mark Mercer. His helpers were Blain Hendrix, Timmy Tilton and Deano Jaynes.

Second Grade—Mrs. Steinhauser: President for this week is Paul Johnston. His helpers are Cindy Collins, Curt Collins and Cherie Dittberner.

We wish to welcome Nadine Linccum, a new member to our class.

Sixth Grade—Mr. Strong: In science we have begun a unit on sound. Some of the students have prepared experiments to show how sound is produced. Mitch Packard, Jim Phelan, Lenell Topol and Sharon Rogers have shown experiments to the class.

Sixth Grade—Mrs. Brower: This week our first report cards were issued. The outstanding students of our class for this report period were: David Thomson for the boys and Suejean Ransom for the girls. Close contenders for these top honors were: Margie Balling, Susan Terry and Gail Brown.

The new officers for this report period are: Marlene Lisle, president; Suejean Ransom, vice president; Susan Terry, secretary, and Peggy Tilton, treasurer.

One of the most important appointments made by our new president was that of the chairman of the games committee, Steve Evans. Steve will be in charge of activities for recesses during stormy weather. Original stories on the theme of

DONNER
DOINGS

By VI WHITE
Phone 587-3866

Clear cold weather is the aftermath of the four day blizzard we had and it looks like mid January up here. Noticed that some of the people were out taking pictures for Christmas cards, a perfect time too.

Skiers replaced the hunters on the highways as many eager beavers came up for the pre-season sport. Reports were that the snow was never better, squeaky powder that makes for perfect conditions.

The temperature went down to a chilly 14 degrees causing fog to rise on the lake over the warmer waters. An eaery sight to watch it spread out over the blue water. The ducks are enjoying it, but haven't seen the Kokonee spawning yet, it's late too.

Tonight the Donner Lake Ladies Auxiliary of the Volunteer Fire Department will have their meeting at Donner Lake Lodge. Discussed will be the successful Harvest Moon Dance held last month and plans for the coming hristmas party will be made.

WATER and POWER

NEWS FROM DONNER TRAIL

By Betty Kielhofer

If you are having trouble with your television set and Tom Kirby has been doing your repairs in the past, you will no longer have to run down to Hirschadel for conferences. He has just set up a brand new operation on Truckee's front street next door to the Donner Trail Real Estate and plans to sell new sets as well as continue with his repair work. He really set up a nice work shop in the rear of the building. Drop in to inspect it.

The possibility of the new Freeway No. 80 not opening before next

spring is very disappointing to most of us and to many thousands of travelers who frequently must use the 'pass', but I suppose it is reasonable to think that something which took five years to construct might just as well take six. Let's hope for the best.

Bob Denney and brother Bud just returned from a quick trip to north of Elko and their group of six bagged twelve nice deer. Don't believe anyone is more enthusiastic about hunting and outdoor life than Bob. He's still hoping for a trip this year to Montana for elk, bear and the like. They strap a little food on their backs, grab a handful of salt and trek for miles in pursuit of the elusive elk. If need be, their sleeping bags are spread under a

tree wherever darkness finds them and they continue on the next day. Too rugged for most, I'm afraid!

My son, Karey, informs me that he and some of the other Truckee-Tahoe boys attending Chico State, have been scouting that area for pheasants and have seen hundreds in all directions. They are anxiously awaiting the opening day next weekend, as many of you surely must be.

Carol and Terry Tollefson write from their ranch in Oregon that they plan to make a trip our way soon if all goes as planned. They are so anxious to see all their old friends here and miss the area more all the time. Some day maybe we'll lure them back permanently.

Can't wait until the bar-restaurant is open on top of Squaw Peak. The view must be magnificent and the gondola ride up should be lots of fun.

Dr. Ray Wiser and Muriel should be returning from Montana just about the time you read this. They pack up all the children and really rough it once a year. Can't imagine a better way for a busy physician to relax and have a little family togetherness at the same time.

Well, button up and batten down 'cause old man winter is really upon us. Think we got too much to melt away so may as well store up for a long, long winter. Now's the time for those good old fire-side house parties!

Veterinarians say a cow chews her cud between seven and eight hours a day.

DON'T BE A LITTERBUG! KEEP AMERICA BEAUTIFUL

FLETCHER SPEAKS ON ADVANCES MADE BY SIERRA PACIFIC CO.

Power from underground steam at Beowawe "shows considerable promise," Fred L. Fletcher, president of Sierra Pacific Power Company said in New York City at a luncheon meeting of the New York Society of Security Analysts.

Fletcher presented a full program describing the rapid advances of Northern Nevada and of the power company at the invitation of representatives of some of the biggest financial organizations in the world.

Describing developments at Beowawe the power company president said Sierra Pacific has conducted "geologic studies which included magnetic and gravity surveys." He reported that two wells are now being drilled by the company with one of them 1400 feet deep and the other 100 feet deep. He added that temperatures as high as 400 degrees have been recorded in the deeper hole and that the second test well has been "geysering at temperatures above boiling."

"A 5000 kilowatt geothermal power plant at Beowawe is planned for completion in 1967," Fletcher said, with a comment that consulting geologists have reported that the life expectancy of a "hot formation" such as the one at Beowawe, "may range into thousands of years."

Describing the growth of Sierra Pacific Power Company, Fletcher reported that \$13,400,000 worth of construction was being accomplished during 1964 and that \$17,500,000

worth of construction will be needed during 1965.

The company's expansion was further emphasized in the talk by Fletcher's statement that the total amount of equipment installed by the firm has increased from \$27,900,000 in 1954 to \$94,400,000 as of the end of September this year.

The Church of San Miguel in Santa Fe, N. M., was built about 1542.

(Ponderosa Country Club)

Despite the snow there is still some golfing going on. (Probably more than I have heard about!) Dr. Ben King and Georgianna spent a few days in Moro Bay, trying out the golf course there, although it was pretty wet. They had previously gone to Reno to play the Hidden Valley course with Bob and Tina Bowers.

Jim and Margaret Walker observed their wedding anniversary by trying the new municipal course in Reno.

A couple of Saturdays ago Mike Popovich and group played the Ponderosa.

Russells played a "pitch and putt" course in the Islands.

Claudia and Walt hope to find good weather some place to get in a game or two when they take a few well deserved days of vacation.

If there is any club news let me know. With hunting and ski season here, I imagine our clubs will gather a little dust.

Maintenance Crews Allowed to Clear Right of Way Only

Property owners along state highways in mountain areas above the snow line are today reminded that state maintenance crews are forbidden from removing snow outside of highway rights-of-way.

Traffic areas inside the right-of-way, such as those in front of stores, service stations and other business establishments which serve the general public will be cleared of snow when these areas are paved to a standard that will allow operation of heavy equipment.

The full text of snow removal policy is quoted by the Department of Public Works, Division of Highways, as follows:

"Snow removal operations are to be carried on continuously throughout a storm until the road is cleared, and as necessary to keep traffic moving. The removal of snow shall be confined to the limits of the state highway right-of-way. Areas within the right-of-way in front of stores, resorts, service stations and other roadside business establishments which serve the general public are to be kept clear of snow when such areas have been graded and paved by the owner of the property to a standard that will

allow the operation of heavy equipment. In these locations, state forces are not to remove snow beyond the right-of-way line.

"We will, however, dispose of snow which the property owner may move onto the right-of-way from the area between the property line and the front of his building where the building is immediately adjacent to the property line. It is the intention to allow the owners of adjacent property to clear an area in front of their places of business, to make a space for motorists who wish to avail themselves of their services.

"Owners of adjoining property should be cautioned that they are not to dispose of snow from other portions of their property, such as parking lots, by moving it onto the right-of-way. Property owners are never permitted to move snow onto the traveled way.

"State forces will not remove snow from approaches leading from the traveled way to private property, either for individuals or private clubs, but will handle their operation so as to cause the least inconvenience to the property owners."

In 1844, two members of President John Tyler's cabinet were killed when a ten-ton cannon exploded aboard the U. S. S. Princeton.

SCHOOL'S OPEN

Owner Carelessness Causes Auto Thefts

Owner carelessness continues to be one of the leading causes of automobile theft, the California State Automobile Association reports.

In an increasing number of cases, cars are stolen by "joyriding" thieves who take the automobile simply because the owner has made it so easy to steal.

The CAAA urges car owners to follow these four basic rules:

1. Always remove the keys from the car when you leave it parked, including any spare key you may keep around for emergencies. The first thing a professional car thief does when he enters your car is to look in the most likely hiding places for the spare key—under the floor mat or behind the dashboard.

2. When you leave your car, make it a habit to close all windows and lock all doors. Given enough time, even the inexperienced thief can jump the ignition wires. Closed windows and locked doors

present a time-consuming barrier to both amateur and professional. 3. Keep luggage, cameras, clothing, etc., in the trunk, not piled on the front or back seat where they are an open invitation to thieves. Cars often are stolen only for valuable articles that can be seen plainly from outside the car.

4. Park in a garage or parking lot, especially at night. Where this is not possible, try to pick a well-lighted, well-populated street. The ideal mark for a thief is the car parked on a dark, industrial side street at night where there is little likelihood of interruptions.

Before glassblowing was discovered, vessels were formed around a core of clay or sand which was removed after the object was finished.

IS YOUR VISION UP-TO-DATE?
It should be examined at least once a year
AMERICAN OPTOMETRIC ASSOCIATION

Eastern Star Committees Are Named For Year By Newly Installed Matron

Truckee Chapter of the Order of Eastern Star held its November meeting November 17 at the Masonic Temple under the leadership of newly installed Worthy Matron and Worthy Patron Dorothy and John Corbin.

Although the first meeting is primarily a business meeting to close the books and accept the reports of the previous corps of officers, an interesting report was given by the worthy matron on the new legislation adopted by the grand chapter at its annual meeting in Sacramento.

The grand worthy matron of the Eastern Star in California, Ellen Walters of Quincy, honored the local chapter this year by appointing Louise Anderson of Tahoe Vista as deputy grand matron of the 13th district. She will act as the grand worthy matron's representative to OES chapters in Truckee, Colfax, Dutch Flat, Grass Valley, Nevada City and Comptonville. Mrs. Anderson was the honored guest of the Chapter Tuesday evening.

The following committees were named for the coming year:

Courtesy officers: Lucille Sauby, Jeanne Kimbrough, Miriam Zwarg, Margaret Christiansen and Azad McIver.

Budget Committee: Margaret Craig, Frank Snyder, Elsa Culbertson and Charles Walker.

Auditing Committee: Virginia Doyle, Lucille Sauby, Margia Walker, and Bud Mandeville.

Examining Committee: Miriam Zwarg, Dan Anderson, Azad McIver, Sam Faulkner and Gladys Thorwaldsen.

Properties Committee: Phyllis Snyder, Barbara Shane and Shirley Gini.

By-laws and Auditing: Dan Anderson, Mickey Mandeville, James McIver, Elsa Culbertson and Ruby Faulkner.

Sunshine Committee: Pearl Snyder, Jeanne Kimbrough, Inez Jordan and Ruth Minger.

Music and Program: Hilda Hintz, June Shane and Mary Kay Holden.

Cancer Dressing Station: Elmay Phillippi, grand chapter appointee, and Gladys Thorwaldsen and Margaret Christiansen.

Decorations and Corsage: Dorothy Sipes, Inez Jordan, Janene Grignon and Miriam Zwarg.

Telephone Committee: Georgia Abrahamian, Dessie Harrington, Betty Silverii, Shirley Gini, Pearl Snyder and Marguerite English.

Publicity: Phyllis Snyder.

Following the meeting a social hour with entertainment and decorations in the Thanksgiving theme, was enjoyed by the large turn out of members and pumpkin pie with whipped cream was served by a committee consisting of Miriam Zwarg, Azad McIver and Hilda Hintz.

TROMBONIST AT SIERRA
Doug Wagner of Truckee played the trombone in the Sierra College 20 member dance band last Thursday on the college campus center at a benefit show given to raise funds for band uniforms.

Boating Accidents Increase Over 1963

SACRAMENTO—Sixty-four persons died and 223 were injured in 453 California boating accidents recorded in the first nine months of 1964, the department of parks and recreation's division of small craft harbors reported today. For the same period in 1963 there were 59 death and 189 injuries in 418 boating accidents.

Division Chief Lachlan M. Richards said the statistics show that California's pleasure boat operators need more knowledge of boating laws and safe boating practices.

The division's analysis of small craft accidents in the period January 1 to September 30, 1964, shows that open motorboats were involved in 282 accidents, or about 50 percent of the total. Open motorboats were involved in 55 of 76 accidents in which boats capsized, accounting for 25 or the 64 deaths.

Richards said the high ratio of deaths in open motorboat accidents would be researched by the division to develop preventive measures. He noted that state law requires that all boating accidents involving death or injury or damage of \$100 or more be reported to the division of small craft harbors. The accumulated reports provide the basis for the division's boating safety studies.

NEW CLASSROOMS AT SCHOOL OCCUPIED

The five second story classrooms at the Tahoe Truckee High School were completed last week and are now being used, District Superintendent John S. Corbin announced.

The five lower-floor rooms are nearing completion and may be occupied next week. In the meantime, work is progressing on the exercise room which will complete the high school project.

Corbin said he was very pleased with the work done by the Fisher Construction Company of Fresno, contractor on the high school work.

COMPLAINT DROPPED IN SQUAW DISPUTE

AUBURN — A complaint filed against the Squaw Valley Development Company over a dispute in the submission of plans to the state for two ski lifts has been dropped. Court attaches were advised this week, the date set for arguments of a show cause on a restraining order, the matter had been settled when the ski lift plans were submitted to the state and it should be dropped from the calendar.

Joseph Stella and Genevieve Norton, both of Kings Beach were issued a marriage license in Nevada.

PTA DINNER SUCCESS DESPITE BIG STORM

One hundred and 44 people Friday attended the fund raising buffet dinner held at Crystal Bay Club sponsored by the Truckee Elementary PTA. The affair was described as a complete success despite inclement weather and the PTA executive board expressed thanks to those who participated.

This was the first time such an event was attempted by the PTA and the success was beyond expectation. Mrs. Shirley Gini, president, declared. Special awards were made to Jack DeRyk, Charles Spiller, Everett Hoover, Michael Nastuk, John Stevers, Gordon Douglas and Jack Guzman.

SERVICE OFFICER TO BE HERE DEC. 7TH

John Kootstra, Nevada County Service Officer, announced that he will be in Truckee at the office of the justice court December 7 and 21, weather permitting to advise veterans and veterans widows on their income tax questionnaires and other matters.

In the past, Kootstra said, many veterans and widows have failed to take advantage of services offered by his office and many have lost their pension checks after February. It is then difficult, he added, to get the pensions restored.

New laws have made changes in the questionnaires, Kootstra advised, and local veterans and widows who are asked to fill them out are asked to bring them to his office for aid.

LARRY JELLIN WILL WED; BROTHER IS MARRIED IN CITY

The engagement was announced of Miss Carlene Strause of Seattle, Washington, to Larry Jellin, son of Mr. and Mrs. Walter Jellin of Donner Lake last week. Larry, a student at the University of Washington, will be home for Thanksgiving to reveal further details.

At the same time it was revealed that Larry's brother, Richard Joseph Jellin, took as his bride, Shirley Ann Hill of San Francisco, formerly of Utah.

The ceremony took place in the home of a mutual friend in San Francisco, where the young couple will continue to make their home, both being employed there.

Harry Stein and Rosemarie Hurl attended the couple at the wedding rites.

Rickie, as he is known to his many friends in this area, graduated from the Tahoe Truckee High School and was in the naval reserve, having taken a tour of duty to the Orient.

ROBERT JOHNSONS HAVE SECOND SON

Mrs. Henry Loehr became a great grandmother for the third time November 8, with the arrival of a second son for Mr. and Mrs. Robert Johnson of Roseville.

The newcomer first weighed 7 pounds, 12 ounces and has been named Richard Alan. He has an older brother, Robert.

Mr. and Mrs. Edward Frates were Sunday visitors at the Johnson home.

Facilities Provided By Hospital Group

Patients at the Tahoe Forest Hospital are enjoying the facilities of the "Betty Hampton Memorial Cart". This large cart, which may be pushed easily from room to room, was purchased by the Tahoe Forest Hospital Auxiliary with money donated in memory of the late Mrs. Wade Hampton who, before her death, was an active member of the local hospital auxiliary.

The cart provides patients with a variety of sundry items to help make their hospital stay a pleasant one.

Many other "extras" have been donated by the auxiliary to the hospital during the past year. The nursery for the new-born has been redecorated and made more attractive with new paint, a pink-cushioned rocker, crib covers and appropriate nursery rhyme wall plaques.

Bedsprings and room dividers in an attractive yellow help to make the patients rooms more homelike, and lovely new furniture in the foyer provides a pleasant first impression to patients and visitors alike.

All these items, as well as the television sets in each room, were purchased by the Tahoe Forest Auxiliary with funds earned at their "Spring Spree," the organization's annual money-making activity.

SCHOLARSHIPS FOR HIGH STUDENTS ARE AVAILABLE IN CLUB

The Soroptimist Foundation Citizenship Award Contest is announced by Natalie Daneri, president of the Soroptimist Club of Lake Tahoe. She says that this international contest is open to all high school seniors who will graduate in June, 1965.

After qualifying for the preliminary citizenship awards to be presented by the Soroptimist Club of Lake Tahoe, the students may win the Soroptimist District Citizenship Award of \$50; the Soroptimist Regional Citizenship Award of \$50 and then vie with candidates chosen by other Soroptimist Regions throughout the nine nations comprising the Soroptimist Federation of the Americas, Inc., for the grand prize of \$2,500.00.

The Soroptimist Foundation Citizenship Award is given in recognition of outstanding service in the home, in the school and in the community. Each candidate must be of good moral character, and must submit substantiating evidence in the form of letters from three adults. In addition, the student is to write a short essay of 250 words on "My Responsibility as a Citizen."

Applications with rules governing the contest may be obtained from the high school principal, Harold Drummond, Truckee, and from Mrs. Basil T. Kehoe, citizenship award contest chairman for the Soroptimist Club of Lake Tahoe. All entries must be in the mail not later than January 31, 1965. They are to be mailed to Mrs. Basil T. Kehoe, P. O. Box 195, Tahoe City. For further information telephone 583-3706.

LAKE OFFICERS SEEK MAN IN RAPE CASES

TAHOE CITY — Placer County sheriff's deputies are searching for a man who beat and raped a middle aged Kings Beach woman in her motel room in the latest of a string of such assaults.

The woman, a cocktail waitress, told officers that she awoke to find a man standing over her. When she cried out, she said, he told her to "shut up" and struck her in the mouth and above one eye.

Captain Robert Moustis speculated that the rapist was the same man who forced his way into an Incline Village, Nevada, residence and raped a baby sitter last week. Later the same evening a Kings Beach woman reported to the sheriff's department that a man grabbed her as she was walking her dog in front of her home. She said she escaped him and reached safety in her house.

OFFICERS WARN OF THEFTS IN SKI AREAS

TAHOE CITY — Placer County Sheriff's Captain Robert Moustis this week cautioned skiers to use ski lockers while visiting ski areas.

"We have had reports of eight ski thefts in the Squaw Valley area during the past weekend. These thefts total in excess of \$1,000."

Moustis stated that the theft of skis and equipment had become a big business amounting to many thousands of dollars last season.

"Some of the skis stolen over the weekend were removed from ski racks on cars," Moustis said and stated his office will crack down on ski thieves this year and urged the cooperation of skiers in protecting their property.

License — A Nevada marriage license was issued to Clarence Smith of Reno and Martha Shannon of Tahoe City.

DELINQUENT TAXES WILL BRING ACTION

The Nevada County Board of Supervisors, by resolution, authorized the county counsel to recover by law suit and other proceeding incidental thereto, delinquent unsecured property taxes and penalties, together with costs of suit, in any case in which the amount to be recovered is in excess of \$200.

In event the amount is less than \$200, the counsel was authorized to take action through the small claims court.

Mrs. Dean G. Lawrence, county counsel, said she intends to push the matter with vigor and within the near future will write all persons on the delinquent list, giving them an opportunity to pay the taxes and avoid legal action which will be taken soon thereafter.

I CAN SEE
HORSES PASS
HERE... THEY
MOVE TOO FAST
TO CATCH TONIGHT!

DO YOU THINK WE CAN
TRACK THE SCOUNDRELS
IN THE DARK?

I ONCE READ A STORY
OF THE TORTOISE AND
THE HARE, JOBO...

IT IS A STORY OF OVER-
CONFIDENCE- WHICH I
HOPE WILL AFFLICT OUR
ENEMY!

JUST AS IN THE TALE OF THE TURTLE AND HARE—THE
THIEVES, QUITE SMUGLY, STOP FOR THE NIGHT...

THEY GO THIS
WAY, LT. NOBLE!

LOOKS LIKE
WE MADE
A CLEAN
GETAWAY!

LET'S EAT!
I'M STARVED!

YEAH! TONIGHT IT WILL
BE BEANS—IN A FEW
NIGHTS CAVIAR AND
CHAMPAGNE!

AS SOON AS WE FINISH
EATING WE'LL SPLIT
THE LOOT!

I'D RATHER DO THAT
FIRST—THEN THE BEANS
WILL TASTE LIKE DESSERT!

AHA! JOBO, LOOK! WHAT
GREAT LOGIC THERE IS
IN FAIRY TALES!

WE WILL CRAWL
LIKE THE TURTLE
TO GET CLOSER...
WE MAKE SURE IT
IS THE EVIL MEN!

LT. NOBLE, IT IS
THEM!... AND THEY
COUNT THE MONEY
WITH THEIR BLOOD-
STAINED HANDS!

YOU STAY
HERE!

IT MIGHT TAKE US ALL NIGHT TO COUNT
THIS—BUT THE ONLY THING
WE HAVE MORE OF
THAN MONEY
IS **TIME!**
